

APPLICATION FOR SECURITY DEVICES (Hardware Digipass)

Instructions to complete the application form and use of the Device:

1. If the Account Holder is a physical person, this application must be completed/signed by the User and if the Account Holder is a Legal Person, this application must be completed/signed by the User and all the Directors. For Account Holders being connected to the User ID, the same limits will apply per Account Holder per day.
2. The Device will need to be initialized by the User by using the 5digit code sent by the Bank.
3. The Device can be used to access the 1bank Service, perform Third Party Transfers in Cyprus and abroad as well as produce codes for fax instructions. For Fax Instructions, the user/legal entity should complete the relevant form.
4. Complete all sections of the form

Complete the sections of the form A and B accordingly:

User/Legal Person Name	
User ID:	User Name:
Legal Person name:	
(applicable if the Account Holder is a Legal Person)	

A. Digipass DP770
Sign On <input type="checkbox"/> (a new passcode is given to the User to enter 1bank channels)
Fax Instructions <input type="checkbox"/> (a code is given to the User to user for Fax Instructions sent to their Branch. A separate form is mandatory to be completed.)
I/we authorize the Bank to debit my/our account no. _____ with the relevant amount to cover the cost for the security device.

B. Security Device Transaction Limits		
With the use of a security device, a User is able to perform money transactions within maximum daily limits. Should the User or Legal Person choose to have lower limits complete the relevant column accordingly. Please note that limits apply for accounts already connected in 1bank and the ones to be connected in the future where these do not apply for fax instructions.		
Transaction Type	Maximum Limit Per Day (€)	Limit set by User (€)
Transfers to Connected Accounts*	250,000	€.....,and in words
Transfers to Bank of Cyprus Customers	50,000	€.....,and in words
Transfers to Local Banks and Payment Orders	Unlimited	€and in words
Depending on the channel used, for financial transactions exceeding the cumulative daily limit per Account Holder, the User may be given the option to forward the transactions to the Bank for manual processing and execution, regardless of the digipass limits listed above. * This concerns transfers between connected accounts owned by different physical and/or legal entity. For connected accounts owned by same physical and/or legal entity, there is no maximum daily limit.
